

2025 Annual Report

Our Mission & Vision

The FFA mission is to make a positive difference in the lives of students by developing their potential for *premier leadership, personal growth and career success* through agricultural education. The Maryland FFA Foundation mission is to provide financial resources to the Maryland FFA Association through donations and legacy gifts, endowments, gifts of real estate, stock, and other financial instruments.

What We Support

Maryland FFA has been growing the next generation of leaders for nearly 100 years. FFA is the top school-based youth leadership development organization in the country. Through a unique combination of classroom curriculum; experiential work-based learning and; leadership and life skills, FFA transforms the lives of middle school and high school students.

Key Insights

FFA members develop the necessary skills to continue their education in college or to enter the workforce immediately.

FFA Provides opportunities to demonstrate literacy, advocacy, and technical skills in agriculture, food, and natural resources.

FFA prepares members to be **globally-conscious citizens** of their community, their state, their country, and the world.

Students in our state invest **thousands of hours** in many work-based learning projects annually.

Maryland FFA members participate in **over 40** Career & Leadership Development events throughout the year. They also participate in Leadership Development Training Conferences throughout the state each year.

FFA members make great employees as they have a “can do” attitude and have demonstrated leadership in their roles as an employee.

Fund the Future!

We need your support to grow Maryland FFA members of today and tomorrow. Join us in building a stronger, brighter, and more prepared future.
